My 2027 *Money Goals*

Write three goals, give each one a number and a date, then split it by paycheck. Small amounts, every payday.

New year. New plan.

GOAL	AMOUNT	BY WHEN	PER PAYCHECK
1	$		$
2	$		$
3	$		$

Example: Emergency fund · $1,000 · by June 30 · $84 per paycheck (12 paychecks)
